

PENANG CHINESE GIRLS' SCHOOLS CENTENNIAL CELEBRATIONS CUM PENANG CHINESE GIRLS' SCHOOL UNION 80TH ANNIVERSARY FUND RAISING PROJECT

Penang Chinese Girls' Schools (PCGS) will celebrate their 100th anniversary collaboratively in 2020. From its earliest establishment as Fukien Girls' School, it has evolved and expanded to four schools, namely Penang Chinese Girls' High School, Penang Chinese Girls' Private High School, Penang Chinese Girls' Primary School and Penang Chinese Kindergarten. PCGS has been actively promoting the Chinese culture and upholding Chinese education for a century. Their contribution is truly remarkable.

Throughout the years, despite the several relocations and the Second World War, PCGS, which offers pre-school to pre-university level education, has been relentless in their pursuit of academic excellence and have become esteemed educational institutions with myriad amenities and infrastructure. This was no mean feat and only achieved via the collective and concerted efforts of the former and incumbent Board of Governors, Parent-Teacher Associations, Alumni and the support of the community. PCGS will hold the centennial celebrations next year. The Board of Governors and the Alumni have planned a series of celebrations to welcome its 100th anniversary. The centennial celebrations steering committee will also take the opportunity to raise funds for the celebrations and the development of the schools, in its collective efforts to propel the schools to greater heights. With this, we sincerely urge the members of the public to support and participate in the various activities organised in conjunction with the centennial celebrations. We appeal to you for your generous donations. Your unwavering financial support and contributions are crucial to ensure the continued success of the schools. Your generosity is much appreciated.
